

Stop Paying Rent

The Landlord is Rich Enough

A few cents a day will make you your own landlord. Buy a lot now and you can soon build a home of your own to live in when you are out of employment.

There is a discount of 20 per cent for cash within 5 days. On payment of \$25.00 or more on any one lot at any time, a discount of 5 per cent of the amount paid will be allowed.

Average Size of Lots is 66x132 Feet

This is the Best Real Estate Proposition ever offered to the citizens of Paw Paw. Don't fail to buy one of these lots for a home, for an investment, or for your son or daughter.

Don't fail to come to Hastings' Addition Sunday if you cannot get away during the week. Courteous salesmen will be there to wait on you whether you come to buy or "look." Come out and get acquainted. This is a chance of a lifetime for the small investor and is a money-maker for you whether you want a home or not. REMEMBER \$1 secures any lot in the addition and 50c to \$1 weekly pays for it without any interest charge.

Will you at least see these beautiful lots

These are extra fine large size lots. THE PRICE is exceedingly low and the TERMS are so easy that any working boy or girl could buy. All well located and convenient to depots, schools, churches and markets.

If it pays the landlord to own your home it will pay you.

Why not try it yourself? You will be surprised to find how easy and quick you can become a land owner.

This property will increase in value in a short time.

You owe it to yourself and those dependent on you to investigate this proposition. It only takes a few dimes and nickels you think nothing of spending every week, and at the end of a few months you will own a lot free and clear.

For Cleaning Ivory Ornaments.
To clean ivory ornaments, first brush them well with a soft luke-warm water and a little soap; then rinse them in water of the same temperature, dry with a cloth and a brush till the luster reappears. Pour a little alcohol upon the brush, and should the ivory have become yellow, drying it in a gentle heat is recommended. I have tried this process many times, and have always had the greatest success.
